The last LTT activity of our Erasmus+ project “Happy, Healthy, Wise and Wealthy” KA229 took place in Portugal (Olhão) from may 8th to 12th 2023.

During the weekend (6th and 7th may) our partners from Spain, the Czech Republic, Denmark and the Netherlands landed in Faro. Those were 2 days of great enthusiasm to our students and also to their families.

In this 1st day, we had also time to take a group photo.

After having lunch at the school canteen, all the group went downtown, to the old part of the city, for a peddy-paper on the local legends, using the APP Actionbound.

Students took some nice photos:

Day 2- Tuesday, may 9th

In the morning the group went to Fuseta island to surf.

In the afternoon, the group went back to school to participate in two workshops on flying objects and climate changes.

Day 3 – Wednesday, may 10th

This day began with a visit to the local markets

and a trip to the sustainable village of Culatra island.

Day 4 – Thursday, May 11th

In the morning, the students attended a workshop on solar ovens promoted by the Portuguese teachers, Mrs. Lídia Gomes and Mr. Francisco Brito, in which they built their own solar ovens and cooked some apples for the lunch dessert while the teachers had the coordinator's meeting to plan the last things of this project.

After lunch, the group went to Ria Formosa Natural Park.
